

## No More Business as Usual Prayer Guide

So, how do we respond? What do we do? First of all, we pray. We fervently pray. Here is what we are asking churches to do on Sunday, November 2, 2008, believing the promise of 2 Chronicles 7:14:

1. 1.The churches of the world shall become a “house of prayer for all nations”. Suspend all “business as usual”. It is time for a Joel 2:12-17 moment for the church.
2. Ask your congregants to fast breakfast before they come to the service. Isaiah 58:13-14
3. Repent specifically in these ways and others that the Lord shows you. For example:
  - a. For loving money, possessions, and comfort more than God.
  - b. For not living a life of holiness: i.e. any pornography, sexual sin, lust, etc.
  - c. For not loving the poor.
  - d. For not ministering to the lost.
  - e. For not praying for your nation to the extent that you should.
4. Repent if you have not given tithes and offerings to the Lord. Malachi 3:8-12
5. Cry out to the Lord to help you get out of debt and be good stewards of the finances that God has entrusted into your hands. Repent specifically for living on credit beyond your means to pay.
